- Unawarded Leadership Scholarship amounts cannot be carried forward to a future academic year.
- The Leadership Scholarship (Tyndale's matching gift) will be credited to the recipient's student account each semester (through the Student Financial Services Office).
- Church payment can be submitted by cheque or online payment ([see payment details](#)).

- Leadership Scholarship application can be found on the Tyndale Awards website (apply.tyndale.ca)
- When completing the Leadership Scholarship application, the student will be asked to submit contact details of the pastor or church leader authorizing the participation in this program. The pastor or church official will then be emailed a form to complete to authorize participation in the program..
