GOVERNMENT STUDENT AID

If you are applying for government student aid (e.g., OSAP), please complete your application and submit all required documents by May 1, 2024. Please use the 2023-24 application with May 1, 2024, as your program start date. Please notify Student Financial Services when you apply for government student aid, so we can help monitor the status of your funding. We encourage you to apply for student aid as early as possible, as it can take 8-10 weeks to process. Please note that if you are waiting for your student aid and have not received it by January 1, 2025, you will still be responsible for clearing your tuition balance by the final payment deadline on January 1, 2024.
