### NOTES:

1. US students who wish to receive Direct Loans from the U.S. Department of Education are prohibited from enrolling in distance education, including directed reading & research (DRR) courses, theses, live stream courses, online courses and hybrid courses as either core or elective options.
2. Graduating students are required to have a cumulative GPA of at least 3.0, and to have achieved at least a B- grade in all courses that count towards the program. Students pursuing the thesis option will require a minimum 3.3 GPA for their MA coursework.
3. Students are normally expected to complete the MA within a maximum of 7 years of beginning the program.
4. Students may be required to demonstrate reading proficiency in one research language if it is required for their specialization. This will be determined at the discretion of the director.
5. Students should consult the director for their course selection.
