The deadline to submit a Final Exam Reschedule Request Form is **Friday, March 20, 2026**. Requests received after this time will **NOT** be considered.

EXAM CONFLICTS AND RESCHEDULING

The only circumstances that will allow the rescheduling of a final exam are as follows:

- a) 2 exams scheduled at the same time;
- b) 3 consecutive exams within 24 hours (Undergraduate) or 3 exams in one day (Seminary);
- c) Sudden illness or injury (a doctor's note must be submitted with the form).

Students are expected to write their final exams at the end of their courses and are *strongly discouraged* from missing a final exam.

Exams will **NOT** be rescheduled due to personal preferences, travel plans, work schedule, church work, or other similar circumstances. Students are expected to arrange personal plans around the exam schedule.

If you are facing extenuating circumstances that make it impossible for you to write your final exam such as a sudden illness or an injury, you will need to provide medical documentation. You should seek medical assistance as soon as possible to verify that you were ill at the time of your illness or injury, not after the fact.

You will have to submit a **Final Exam Reschedule Request Form** within 48 hours of the missed exam with a **doctor's note verifying your inability to write on the original scheduled date and when you will be able to write it**.

You may be requested to provide the original copy of the doctor's note on the rescheduled exam date if your final exam reschedule request is submitted electronically or by fax.

Failure to provide necessary supporting documents will result in the denial of your final exam reschedule request.

EXAM RESCHEDULE DATE

Students cannot set their own reschedule date but must accept the rescheduled date and time from the Office of the Registrar. Rescheduled dates, times, and instructions are sent in writing to your Tyndale email account after March 20, 2026.

Please refer to the 2025-2026 Tyndale University Academic Calendar for more information.
