I. COURSE DESCRIPTION

The Tyndale Seminary Internship Program (TSIP) is a central component in the theological curriculum at Tyndale Seminary. All MDiv students must complete at least a two-term

internship in their major area of study. The Internship provides students with a vibrant and transformative context for integrating the theological, spiritual, relational, and vocational dimensions of Christian ministry and leadership.

The Internship has a formative aim in developing theologically reflective Christian leaders for service in the Church and the world. Through engagement in real-world ministry in supervised placements, interns are provided with opportunities to work alongside experienced ministry supervisors to develop ministry competencies, to set and meet individualized learning goals, and to clarify and confirm their ministry gifts and calling.

Clinical Counselling majors in MDiv/MA and Spiritual Formation majors in MDiv have specific internship requirements and should consult their program coordinators for details. Internships for all other MDiv students are overseen by TSIP. Students enrolled in the MTS program may elect to take an internship course. Students with double majors must take two internships.

PREREQUISITES: Students will normally have completed a minimum of 15 courses (45 credits) before registering for the Internship course. Prerequisite courses include SPIR 0700 Spiritual Formation, LEAD 0510 Leadership Development and MISS 0782 Gospel, Church and Culture. Exceptional cases will be considered by the Internship Program Coordinator (Dr. [James Watson](#)). Consult the Internship Student Handbook (found on the MDiv Internship Program page on classes.tyndale.ca).

II. LEARNING OUTCOMES

At the end of the course, students will be able to:

1. Demonstrate growth in ministry capacities and competencies in accordance with their individualized learning covenant and their ministry major competency requirements.
2. Engage effectively to the practice of both personal and group theological reflection on ministry experience.
3. Analyze the social, cultural, and global context of God's mission in the world with particular focus on their own ministry setting.
4. Understand the value of mentoring, supervision, and peer accountability for lifelong personal, professional, and spiritual.
5. Identify and articulate one's calling, aptitudes, growing edges and personal philosophy of ministry.
6. Demonstrate an integrative understanding of the Biblical, theological, historical, spiritual, and personal dimensions of Christian ministry through questions asked during ministry reflection seminars and final summative reflection paper.

III. COURSE REQUIREMENTS

A. INTERNSHIP

1. INTERNSHIP SITE: (Required before registering for the course)

Students will select an internship site and supervisor, in close collaboration with the Internship Program Coordinator. (Note: The process for selecting and negotiating an internship site should begin several months in advance of the Internship and must be approved by the Internship Program Coordinator **prior to registration** in the course. Registration cannot be done online but requires a “Registration for a Non-Classroom Course” form that can be found at the page for [Forms for the Office of the Registrar](#)).

2. INTERNSHIP HOURS: (Record of hours due April 13, 2026)

Engagement in at least 260 hours of ministry experience throughout the duration of the internship (approximately 8-10 hours per week over two semesters.) Students will submit a record of total weekly internship hours.

3. LEARNING COVENANT: (Required before registering for the course)

Formulation and adherence to an individualized Learning Covenant that identifies specific learning and ministry goals for the Internship is required. The Learning Covenant is to be written in consultation with the Supervisor and must be approved by the Internship Program Coordinator. The Learning Covenant is found on the course page, MDiv Internship Program, at classes.tyndale.ca.

4. SUPERVISION: (Due first semester December 31, 2025/second semester April 13, 2026)

Engagement in **weekly** supervision/reflection sessions with the approved on-site Supervisor. **Once each semester, students submit a record of weekly internship conversations with their supervisor.**

5. MINISTRY REFLECTION SEMINARS: (Various dates)

Attendance and participation in the Coordination Session, Midpoint and Final Integrative Seminars, and four other Ministry Reflection Seminars for case study presentation and peer input are mandatory (Coordination Session + 4 Ministry Reflection Seminars + Midpoint Seminar + Final Integrative Seminar = 7 total). Students will meet in groups of 3-4 throughout the internship to present and reflect on their case studies. Specific seminar dates and groups will be determined at the Coordination Session. (Sessions take place approximately once a month).

6. MINISTRY REFLECTION CASE STUDIES: (Due on assigned dates – the student will write one case study each semester)

Students will write and submit **two** ministry reflection case studies over the course (one per semester, 5 pages each). Note: Students will attend two Ministry Reflection seminars each

semester (see 5 above). In one, they will present their case study for peer input. In the second Ministry Reflection Seminar, they will provide input on the case study of two peers. Specific due dates will be dependent on the date of the seminar. See class webpage at classes.tyndale.ca or refer to the guidelines on the course page, MDiv Internship Program, at classes.tyndale.ca.

7. FINAL (SUMMATIVE) INTEGRATIVE REFLECTION PAPER: (Due April 13, 2026)

A 12-page Final Integrative Reflection Paper due at the end of the semester (see guidelines on the course page, MDiv Internship Program, at classes.tyndale.ca). This integrative paper will be discussed during the final Integrative Ministry Reflection Seminar (normally held in late March toward the end of the semester).

Submission of mid-term student self-evaluation (see guidelines on the course page, MDiv Internship Program, at classes.tyndale.ca).

9. SUPERVISOR'S EVALUATION: (Due April 13, 2026)

Submission of a final end of course evaluation of the student by the ministry mentor. The document can be found on the course page at classes.tyndale.ca or on the course page, MDiv Internship Program, at classes.tyndale.ca.

10. INTERNSHIP PROGRAM EVALUATION: (Due April 13, 2026)

At the end of the internship, fill out a Student Internship Program Evaluation Form focusing in on your own experience, your experience with the supervisor, and with the internship site. The document can be found on the course page, MDiv Internship Program, at classes.tyndale.ca.

B. SUPPLEMENTARY / RECOMMENDED READING AND TOOLS

Because the Internship and Ministry Reflection Seminars are designed as a context for integrating classroom learning with the practice of ministry, the “reading list” comprises any reading that one has done in the courses taken to date. In addition, the following are particularly helpful resources in thinking theologically about the practice of ministry.

Stone, Howard W., and James O. Duke. [*How to Think Theologically*](#). 3rd Edition. Minneapolis: Fortress Press, 2013.

Tyndale recommends [STEPBible](#) – a free and reputable online resource developed by Tyndale House (Cambridge, England) – for word searches of original-language texts, as well as for topical searches, interlinear texts, dictionaries, etc. Refer to the library for other [online resources for Biblical Studies](#).

C. GRADING AND EVALUATION

By the end of the internship, students will have a portfolio of documents providing evidence of their growth and learning through the internship experience. These documents must all be submitted to the course page (INTD 0701) to receive the internship credit. The portfolio will include:

- The Learning Covenant outlining the student's individualized learning and ministry plan
- The Site Placement Form indicating the agreement between the student's supervisor and Tyndale Seminary
- Mid-term Self-Evaluation Report, reflecting on progress and learning in the Internship based on goals outlined in the learning covenant
- Supervisor's Final Evaluation by the Ministry Mentor providing feedback and reflection on ministry strengths and areas for future growth
- Two ministry reflection case studies from the Ministry Reflection Seminars with feedback from fellow students (one for each semester)
- A summary of your internship hours and your weekly internship conversations with your supervisor or ministry mentor
- Final Integrative (Summative) Reflection paper integrating learning that occurred during the internship and the course of all your seminary learning and presented to other students during the last Ministry Reflection Seminar

Therefore, we ask our students to be charitable and respectful in their interactions with each other, and to remain focused on the topic of discussion, out of respect to others who have committed to being a part of this learning community. Please refer to “Guidelines for Interactions” on your course resource page at classes.tyndale.ca.

D. GUIDELINES FOR THE SUBMISSION OF WRITTEN WORK

Grading Rubric

Please consult the rubric provided for each assignment on your course resource page at classes.tyndale.ca.

Academic Integrity

Integrity in academic work is required of all our students. Academic dishonesty is any breach of this integrity and includes such practices as cheating (the use of unauthorized material on tests and examinations), submitting the same work for different classes without permission of the instructors; using false information (including false references to secondary sources) in an assignment; improper or unacknowledged collaboration with other students, and plagiarism (including improper use of artificial intelligence programs). Tyndale University takes seriously its responsibility to uphold academic integrity, and to penalize academic dishonesty. Please refer to the [Academic Integrity website](#) for further details.

For proper citation style, consult [Citation Guides](#) for different styles. Students are encouraged to consult [Writing Services](#).

Students should also consult the current [Academic Calendar](#) for academic policies on Academic Honesty, Gender Inclusive Language in Written Assignments, Late Papers and Extensions, Return of Assignments, and Grading System.

Turnitin Text-Matching Software

Tyndale has a subscription to Turnitin, a text-matching software that ensures the originality of academic writing and verifies the proper citation of all sources. The instructor for this course will use Turnitin for assignments submitted through your course resource page at

classes.tyndale.ca. Upon submission, you will receive a summary that includes your submitted files along with a similarity report generated by Turnitin. Please be aware that Turnitin can also detect AI-generated content from tools like Grammarly, so students should be mindful of when using such software. It's advisable to confirm with your instructor before using any AI tools into your assignments. Below are some useful resources:

- [Student](#) Guides for Turnitin via classes.tyndale.ca course resource page

Research Ethics

All course-based assignments involving human participants requires ethical review and may require approval by the [Tyndale Research Ethics Board \(REB\)](#). Check with the Seminary Dean's Office (seminaryoffice@tyndale.ca) before proceeding.

Late Papers and Extensions Policy

All papers and course assignments must be submitted by the due dates indicated in the course syllabus. Unless the instructor already has a policy on grading late papers in the course syllabus, grades for papers submitted late without an approved extension will be lowered at the rate of two-thirds of a grade per week or part thereof (e.g., from "A+" to "A-," from "B" to "C+"). Please note that some programs, such as cohort-based or intensive courses, may follow a different policy due to the nature of the program.

Faculty may not grant an extension beyond the last day of exams for the semester. Requests for extensions beyond this date must be addressed in writing to the Registrar by filling out the [Extension Request Form](#). The application will be considered only in cases such as a death in the family, medical emergency, hospitalization of oneself or immediate family member or prolonged illness requiring treatment by a physician. Factors such as assignments for other courses, holidays, and technology-related difficulties are insufficient grounds for requesting an extension.

A temporary grade of incomplete ("I") may be granted by the Registrar. Once an extension is granted, it is the student's responsibility to contact the instructor and make satisfactory arrangements to complete the outstanding work. A grade of "F" will be recorded for students who do not complete the outstanding work by the deadline.

E. COURSE EVALUATION

Tyndale Seminary values quality in the courses it offers its students. End-of-course evaluations provide valuable student feedback and are one of the ways that Tyndale Seminary works towards maintaining and improving the quality of courses and the student's learning

experience. Student involvement in this process is critical to enhance the general quality of teaching and learning.

Before the end of the course, students will receive a MyTyndale email with a link to the online course evaluation. The link can also be found in the left column on the course page. The evaluation period is 2 weeks; after the evaluation period has ended, it cannot be reopened.

Course Evaluation results will not be disclosed to the instructor before final grades in the course have been submitted and processed. Student names will be kept confidential, and the instructor will only see the aggregated results of the class.

F. LIBRARY RESOURCES

[Tyndale Library](#) supports courses with [e-journals, e-books](#), and the [mail delivery of books](#) and circulating materials. See the [Library FAQ page](#).

G. GRADING SYSTEM & SCALE
